The walking distance rule for K-5th is $\frac{3}{4}$ of a mile and 6th-8th grades is 1 mile. If you live further than those walking distances from your child's school you are eligible to fill out a School Bus Application.

If you would like your child to have bus transportation we have attached a School Bus Application that will need to be filled out completely and returned to 2743 Plumas School Road by mail, hand delivery or emailed to jdraper@plUSD.org. This will need to be done no matter what payment method you choose to use.

Students who qualify for free and reduced lunch will also, qualify for free or reduced transportation. An application will still be required to be filled out. Make sure to circle the service your child will need and attach the letter from the Food Service Department in order to qualify for free or reduced transportation.

Bus schedules will be posted on-line and at school sites 10 days prior to school starting. Bus schedules may change slightly 1 week after school starts due to enrollment so please check to see if your child's bus route is affected.

If you have questions regarding your bus pass purchase you may contact the Transportation Department at (530) 742-0981 or email jdraper@plUSD.org.
