

WE'RE HERE TO SERVE *YOU!*

We can answer any questions you have regarding your teacher retirement, social security and other retirement plans.

Topics that will be covered:

- If you are currently saving, learn about an annuity product within your retirement plan that can turn your savings into a stream of guaranteed income at retirement.
- Get a printout of what your estimated monthly retirement income will be from your employer benefits.
- Learn about the Social Security and potential offsets, and how it can affect you.
- Learn how you can save more money, without affecting your take home pay, to make sure there isn't an income shortfall when you retire.
