“Serious health condition” means illness, injury, impairment, or physical or mental condition of the employee or a immediate family member of the employee that involves either (1) inpatient care in a hospital, hospice, or residential health care facility; or (2) continuing treatment or supervision by a health-care provider.

- 13.2.6 If both parents of a child who are entitled to Family Care Leave under the first paragraph 13.2.1 above are employees of the District, the District shall not be required to grant leave in connection with the birth, adoption, or foster care of a child that would allow the parents Family Care Leave totaling more than a combined total of twelve (12) workweeks specified in paragraph 13.2.1.
- 13.2.7 The employee shall provide reasonable advance notice to the District of the need for Family Care Leave, the reason the leave is needed, the date the leave will commence, and the estimated duration of the leave. If the need for a leave becomes known more than thirty (30) calendar days prior to the date a leave is to begin, the employee must provide at least thirty (30) calendar days written advance notice.
- 13.2.8 The District may require written medical verification by the employee's health professional to verify the serious health condition of the immediate family member or employee.
- 13.2.9 Seniority protection – Family Care Leave does not constitute a break in service for seniority under the Agreement or District employee benefit plan.
- 13.2.10 Family Care Leave is an unpaid leave of absence unless an employee elects to use appropriate paid leave set forth in this Agreement. When available paid leave is exhausted, the balance of the Family Care Leave, if any, is unpaid. Any paid or unpaid leave entitled to be taken and taken for a reason that would also entitle the employee to federal and state Family Care Leave shall be designated also as federal/state Family Care Leave and counted against the employee's federal/state Family Care Leave entitlement.
- 13.2.11 Upon return from a federal/state Family Care Leave, an employee is entitled to return to the same position held prior to taking leave (if requested, available and meets the needs of the district) with equivalent benefits, pay, and other terms and conditions of employment.
- 13.2.12 To the extent not specifically covered in paragraphs 13.2.1 through 13.2.11 above, federal/state Family Care Leave shall be governed by the minimum employee and employer rights contained in the federal Family and Medical Leave Act (29 U.S.C. Sections 2601 et seq.) and the California Family Rights Act (Cal. Government Code Section 12945.2).

14. Parental Leaves

Eligible unit members may take up to twelve (12) workweeks of parental leave for reason of the birth of a child of the unit member, or the placement of a child with the unit member in connection with the adoption or foster care of the child by the unit member. Parental leave shall be available and administered in accordance with Education Code section 44977.5 and the CFRA laws and regulations. The twelve (12) workweek period of parental leave shall be reduced by any period of sick leave, including accumulated sick leave, taken during the period of parental leave. After a unit member exhausts all available sick leave, including accumulated sick leave, the unit member shall be compensated no less than fifty percent (50%) of the unit member's regular salary for the remainder of the twelve (12) workweek period. Unit members may not receive more than one twelve (12) workweek period of partial pay parental leave within a twelve (12)

month period. Parental leave must be completed within twelve (12) months of the birth or the placement of the child. Requests for such leave shall be filed with Superintendent as early as possible and at all times at least three (3) weeks prior to the beginning date of the requested leave. This leave shall be taken in six week increments unless otherwise agreed upon between the unit member and Superintendent.

16. Catastrophic Leave Bank

No unit member may donate more than five (5) days accumulated and unused sick leave days in any school year (July 1 through June 30).

16.2 Use of donated sick leave shall be capped at no more than 50 days per individual unit member per school year.

16.3 The Association agrees that it will not file, on its own behalf or on behalf of any unit member, any grievance, claim or lawsuit of any kind related to any attempt by a unit member to retrieve donated sick leave used by another unit member pursuant to this provision. The Association also agrees that it will not file, on its own behalf or on behalf of any unit member, any grievance, claim or lawsuit of any kind which attempts to challenge in any way the legality or enforcement of this provision.

16.4 The Association agrees to indemnify and hold harmless the District from any loss or damages arising from the implementation of this provision.

16.5 In the event of any grievance, claim or lawsuit challenging the legality or enforcement of this provision, the District may terminate this provision upon written notice to the Association.

16.6 Catastrophic Leave Procedures:

- 1) The District will notify all unit members that a specific unit member by name is requesting Catastrophic Leave Donations, specify a method and due date for members to donate unused sick leave, and state the Catastrophic Leave Donation Program is voluntary
- 2) Unit members will notify the District how many days up to five (5) days of accumulated and unused sick leave they would like to donate to the specific employee.

- 3) Donations must be made in whole day increments and will be confidential.

Article XX
Grievance Procedure

1. Definitions

1. A “grievance” is a claim by one or more unit members or the Association that there has been a violation, misinterpretation or misapplication of a provision of this Agreement
2. The “grievant” is the unit member, unit members, or the Association making the claim.
3. A “party of interest” is any person who might be required to take action or against whom action might be taken in order to resolve the grievance.
4. An “immediate supervisor” is either the site administrator or administrator responsible for overseeing grievant’s position.
5. A “day” is defined for purposes of this article as any work day for the unit member.

2. Purpose

6. The purpose of this procedure is to secure, at the lowest possible administrative level, equitable solutions to claims that there have been violations or misinterpretations of terms of this Agreement. Both parties agree that these proceedings will be kept as informal and confidential as may be appropriate at any level of the procedure.

3. Informal Level

7. Before filing a written grievance, the grievant shall attempt to resolve the grievance by an informal conference with his/her immediate supervisor within ten (10) days of when he/she knew or should have known of the act or omission giving rise to the grievance.

4. Formal Level

4.1 Procedure

Level One: Immediate Supervisor

- 4.1.1 If not satisfied at the informal level, the grievant may present a written grievance to the immediate supervisor within ten (10) days of the informal conference with his/her immediate supervisor. A copy of the grievance will be simultaneously provided to the Association. The immediate supervisor shall meet with the grievant within ten (10) days of receipt of the Level One written grievance. The immediate supervisor shall provide a written disposition of the grievance, including the reasons therefore, to all parties of interest within seven (7) days of such meeting.
- 4.1.2 If the grievant is not satisfied with the disposition of the grievance, or of no disposition has occurred within seven (7) days of the

presentation of the grievance, the grievance may be appealed to Level Two within ten (10) days.

Level Two: Superintendent

- 4.1.3 The Superintendent or his/her designee shall meet with the grievant and/or designated Association representative within five (5) days of receipt of the Level Two grievance appeal and shall provide a written disposition of the grievance, including the reasons therefore, to all parties of interest within seven (7) days of such meeting.
- 4.1.4 If the grievant is not satisfied with the disposition of the grievance or if no disposition has occurred within seven (7) days of such meeting, the grievant may within ten (10) days request the Association submit the grievance to mediation. Mediation may be waived only if mutually agreed to by both the Association and the District.

Level Three: Mediation

- 4.1.5 The Association shall request that a conciliator/mediator from the California State Mediation/Conciliation Service, or from any other mutually agreeable recognized dispute resolution center, be assigned to assist the parties in the resolution of the grievance as soon as possible.
- 4.1.6 If a mediated agreement is reached, the agreement shall be reduced to writing and shall be signed by the grievant, the Association and the District. This Agreement shall be nonprecedential and shall constitute a settlement of the grievance.
- 4.1.7 In the event that the grievant and the Superintendent or his/her designee have not resolved the grievance with the assistance of the conciliator/mediator within ten (10) days from the first meeting held by the conciliator/mediator, the Association may terminate Level Three and the grievance may proceed to Level Four unless both parties agree to additional mediation.

Level Four: Binding Arbitration

- 4.1.8 If the Association wishes to proceed to arbitration, it shall notify the other party in writing within ten (10) days of termination of Level Three mediation. Within ten (10) days of such notification, representatives of the District and the Association shall attempt to agree upon a mutually acceptable arbitrator. If the parties are unable to agree upon an arbitrator within the specified period, the Association shall file a Demand to Arbitrate with the American Arbitration Association. The selection of the arbitrator and the arbitration proceedings shall be conducted under the Voluntary Labor Arbitration Rules of the American Arbitration Association. The Association and District shall each pay one half (1/2) of any charges required by the American Arbitration Association for services rendered.

4.1.9 The arbitrator's decision shall be in writing and shall set forth the findings of fact, reasoning, and conclusions of the issues submitted. The arbitrator shall be without power or authority to make any decision that requires the commission of an act prohibited by law or which is violative of the terms of this Agreement. Jurisdiction shall extend only to claims of violations of specific written provisions of the Agreement and involve only the interpretation and application of the Agreement. The decision of the arbitrator shall be submitted to the Association and the District and will be final and binding upon the parties.

4.1.10 All costs for the services of the arbitrator, including but not limited to, per diem expenses, travel and subsistence expenses, and the cost, if any, of a hearing room or court reporter, shall be borne equally by the District and the Association. All other costs, except for released-time for the grievant(s), Association representative(s), and witnesses, shall be borne by the party incurring them.

5. Time Limits

5.1 Time limits provided for at each level shall begin the day following receipt of the grievance appeal or written decision.

5.2 Since it is important that grievances be processed as rapidly as possible, the time limits specified at each level should be considered the maximum and every effort should be made to expedite the process. The time limits may, however, be extended in writing by mutual agreement.

6. Rights of Representation

A grievant may be represented at all stages of the grievance by an Association representative(s).

7. Miscellaneous

7.1 The Association may initiate a grievance at Level Two.

7.2 If a grievance arises from action or inaction of the District at a level above the principal or immediate supervisor, the grievance can commence at Level Two.

7.3 When it is necessary for a representative designated by the Association to attend a grievance meeting or hearing during the day, he/she shall be released without loss of pay in order to permit participation in the foregoing activities. Any unit member who is requested to appear in such meetings or hearings as a witness will be accorded the same right.

- 7.4 All documents, communications and records dealing with the processing of a grievance shall be filed in a separate grievance file and will not be kept in the personnel file of any unit member.
- 7.5 Forms for filing grievances, serving notices, taking appeals, making reports and recommendations, and other necessary documents shall be prepared jointly by the District and Association and given appropriate distribution so as to facilitate operation of the grievance procedure.
- 7.6 Upon mutual agreement of the Association and the District, a grievance may be taken directly to arbitration by by-passing levels #1 through #3.
- 7.7 A unit member may at any time present grievances to the District, and have such grievances resolved, without the intervention of the Association, as long as the resolution is reached prior to arbitration and such resolution is not inconsistent with the terms of this Agreement. If any employee presents a grievance on his/her own behalf, the Association shall have the right, within the confines of the timelines, to be present and state its views at all grievance meetings. If the parties agree to a resolution of the grievance, the grievance chair will receive a copy of the grievance and the proposed resolution and will be given the opportunity to file a response.
- 7.8 No reprisals shall be taken for participating in the grievance process or procedure.
- 7.9 All grievances related to safety shall be copied to the Superintendent's office.

If a voluntary reassignment request is denied, the unit member shall receive a written statement of reasons for the denial and may request a meeting with the administrator.
- 2.3.4 Any openings that are determined after the notification of preliminary assignments will be posted within the District. Employees of the District, meeting the qualifications, shall be given consideration for the assignment for which they apply. Voluntary reassignment or transfer requests will be given priority consideration prior to opening vacancies to outside persons.

The District agrees that prior to hiring anyone for a certain position, the District will screen all District applicants and interview all who meet the minimum qualifications and submit a complete application. Interviewees will be notified in writing of the District's decision.

2.4 Involuntary Transfers and Involuntary Reassignments

- 2.4.4 In the case of a decrease in the number of students or the elimination of program(s), the District shall seek voluntary transfers prior to making an involuntary transfer under this section.
- 2.4.5 When transfers or reassignments are necessitated by Education Code driven layoffs, this section shall not apply.
- 2.4.6 No unit member will be involuntarily transferred if that unit member has been involuntarily transferred within a period of twenty three months of notification of the involuntary transfer.

2.5 Classroom Change

2.5.1 When a unit member is required to move to a new classroom, the District will provide up to 10 boxes (banker sized boxes) for the unit member's classroom materials. These boxes must be returned to the district within 5 working days of the first day of the new assignment. The District will transport the classroom materials to the unit member's new room. Unit members are responsible for packing and unpacking all boxes.

The District shall prepare a student discipline policy and/or handbook which describes the expected conduct of students, the possible consequences for misconduct, the steps in the student discipline process, and the role of the unit member in the process.

6. It is the belief of the Association and the District that student achievement is enhanced when parent/guardian involvement is increased. The Association and District are committed to increasing parent/guardian participation in the education of students. With the active involvement of parents/guardians comes an increase in visitors to the school site. To that end, in order to support the needs and rights of the parents/guardians and unit members and to ensure the safety of students and bargaining unit members, the following procedures shall be followed:
 - 6.1 Parents/guardians wishing to review materials for use in their student's classroom shall provide a written request to the student's teacher(s) to come to the school to review the materials. Such review shall not take place during the bargaining unit member's duty free lunch-time or any other duty free break times during the workday.

 8. The District shall provide bargaining unit members written authority to take students on a field trip. All field trips are a school sponsored activity.
 9. Bargaining unit members shall immediately report cases of assault suffered by them in connection with their employment to their site administrator or immediate supervisor, and shall immediately report the incident to law enforcement authorities if deemed appropriate by the bargaining unit member. Such notification shall immediately be forwarded to the Superintendent. The Superintendent shall comply with any reasonable request from the bargaining unit member for information in the possession of the District relating to the incident or the persons involved.
 10. Whenever any bargaining unit member is attacked, assaulted, or physically threatened by any student, it shall be the duty of the bargaining unit member and the duty of any person under who is directing or supervising the bargaining unit member to promptly report the incident to the appropriate law enforcement authorities of the county or city in which the incident occurred (Education Code Section 44014). No sanctions shall be imposed against a person under a duty to make a report.

Shared Contracts

1. The purpose of shared contracts is to provide options for a unit member to share responsibility of a full-time position with no more than one other qualified certificated employee.
 - 1.1 The primary criteria for approving shared contracts shall be successfully meeting the educational needs of students and will ensure the other provisions of BP 4113.1 are met.
 - 1.2 Applications for share contracts shall be made through the site principal to the Superintendent or designee by March 1 of the year preceding the year in which the partial assignment is desired. A Percent/Part-Time Contract Application form shall be completed (Appendix D-1).
 - 1.3 Teachers desiring a shared contract shall apply for a partial leave of absence for the portion of the contract they wish to vacate.
 - 1.4 Teachers may only share a contract for one of their existing positions.
 - 1.5 Request for partial contracts shall be submitted to the site administrator for initial approval. Upon initial approval, the site administrator will forward the request to the Superintendent or designee for conditional approval by the Board. The Board may conditionally approve the request based upon the availability of a part-time position or, finding another employee to work the remainder of the position when a full-time equivalent position is needed by the District. The proposed division of the contract must be approved by the site administrator who shall then make his/her recommendation to the Superintendent.
 - 1.6 The District has the exclusive right to approve job share requests. The District shall approve or deny job share requests by no later than May 1st. If the request is denied, the affected bargaining unit members may request the reasons for denial in writing.
 - 1.7 Upon conditional approval of the Shared Contract Application (Appendix D-1), the unit members shall submit a signed, Shared Contract Agreement (Appendix D-2) and written job share plan to the site administrator and Superintendent or designee for final approval by the Governing Board by June 30th.

2. Job Share Plan

Once a job share partnership is approved, the unit members must submit a written plan for the sharing of a contract. The written plan must include:

- 2.1 A description of how the position will be split.
- 2.2 The proposed site.
- 2.3 The proposed grade level.
- 2.4 The proposed allocation of benefits, subject to any requirement imposed by the insurance carrier for such benefits.
- 2.5 A description of how full responsibility for the total classroom and instructional plan will be assumed by the unit members.
- 2.6 A working calendar.
- 2.7 Acknowledgment that both unit members must take an active part in parent conferences, open house, and back-to-school nights unless sharing a contract on a trimester basis. Both unit members also may be expected to attend specific in-service meetings and to work a full day on at least the first two (2) days of the first week of school. Each unit member acknowledges that unit members may be asked to attend meetings on nonscheduled days at the discretion of the principal when necessary and unit members will make every reasonable effort to attend such meetings.
- 2.8 Communication between job share participants is critical. Each plan shall clearly and specifically address how this shall be accomplished.

3. Renewal of Shared Contracts

- 3.1 All partial leaves of absence shall be considered as one-year positions with no automatic right to an extension.
- 3.2 By March 1 of the year in which the shared contract occurs, the teacher(s) shall inform the site administrator and the District's Superintendent or designee in writing if they wish to apply for an extension of the agreement. Both the site administrator and the Superintendent or designee shall have full discretion to decline to extend the leave.
- 3.3 Such extensions shall be considered on a case-by-case basis and are not automatically renewed.

4. Provisions of a Shared Contract

- 4.1 Employees in a shared contract arrangement shall have on file in the District's Human Resources Department a signed, shared contract agreement which clearly delineates the duties and responsibilities of each party. The contract shall not be valid until both the site administrator and the Superintendent or designee have approved the terms of the agreement and the Governing Board has granted final approval.

- 4.2 Unit members sharing an assignment shall accrue sick leave and other leave benefits prorated based on their FTE.
- 4.3 All shared contracts are restricted to no more than one (1) benefit package per FTE not to exceed the current benefit cap. However, partners may allocate those benefits among themselves to the degree that is allowed by the insurance carriers and pay the remaining portion should they desire. If an employee is at or above 50% and opts out of District health benefits, any applicable opt out fee charged by the insurance carrier will be deducted from the applicable benefit cap.
- 4.4 Whenever one of the unit members sharing an assignment is absent, the other unit member shall make every reasonable effort to perform the substitute teaching duties. For this service, his/her pay shall correspond with the substitute pay for day to day substitutes. If an absence extends beyond two (2) consecutive weeks, he/she shall receive his/her regular daily rate beginning with the first day of substitute service.
- 4.5 When one partner to a shared contract is unable by reason of disability or other circumstance to continue under the shared contract agreement, the other partner is responsible for returning to full-time. Should such return be blocked by personal circumstances permanently, the partner shall be responsible for temporarily becoming full-time while other arrangements are made.
- 4.6 When transfers and reassignments are necessary, it shall be the position the unit members are actually working in which controls potential transfer and reassignment. For example, the six (6) criteria used to make transfers and reassignments under this Agreement shall be applied based on the unit member whose position is being shared.
- 4.7 Movement on the salary schedule for a job share team member shall be based on the same criteria applied to other unit members for column advancement on the salary schedule.
- 4.8 Job share employees shall earn experience credit toward step advancement on the salary schedule based on the percentage of the position held. Advancement on the salary schedule shall only occur in one (1) year increments. For example, a member serving in a .60 job share position for two (2) consecutive school years will advance one (1) step on the salary schedule upon completion of the second year of service. That member would retain .20 credit to be added to subsequent service credits if applicable.
- 4.9 Employees on a shared contract shall be limited to ten percent (10%) of the total FTE of self-contained classroom teachers in the District.
- 4.10 Both partners are responsible for all mandatory teacher professional development workdays and all partners are responsible for sharing staff meeting information with each other.

- 4.11 In the event that a job share partnership is discontinued, the participants may remain at the same school, or be transferred to another school, at the District's discretion.

Private and non public school experience for step increment on the salary schedule shall be accepted, providing the school was state accredited and the unit member in question held a valid credential at the time of the teaching experience. A year of service is defined as 75% of the regularly scheduled work year. This shall not supersede Article XXIII Shared Contracts, specifically section 4.8.

- 2.6 The parties agree that section 2.5 is properly interpreted to mean that whenever employees who have not been able to advance vertical steps on the salary schedule due to being at the maximum step for their column, earn additional credits in order to move over to the next column, they shall at that time be placed at the proper step based upon their years of service. In other words, if an employee remains on step 7 of column D for two years, if/when they acquire the credits necessary to move to column E, they shall be placed at E, Step 9.

Personal Illness and Personal Necessity absences reported on this form are charged against the employee's sick leave bank.

DEFINITIONS OF LEAVES

Sick Leave – may be used for time taken off from work by an employee to attend to an illness of a child, parent, spouse, or domestic partner of employee. The Superintendent or his/her designee may require a physician’s verification of illness if an employee has been on sick leave for five (5) or more consecutive days or anytime the Superintendent or designee reasonable suspects that sick leave is being or has been abused

Personal Necessity Leave – Sick leave may be used at the employee’s election, for purposes of personal necessity, provided that use of sick leave does not exceed seven (7) days in a school year. For purposes of personal necessity leave, “immediate family” means mother, father, guardian, grandmother, grandfather, brother, sister, spouse, son, son-in-law, daughter, daughter-in-law, step-child, step-parent, grandchildren, mother-in-law, father-in-law, or any relative living in the household of the employee. The employee shall not be required to disclose the reason for the personal leave but will be required to verify that it was not used for an improper purpose. The Superintendent or designee has the right to require employee verification of the use of personal necessity leave per Education Code section 44981. Under all circumstances, an employee shall verify in writing that sick leave for personal necessity was not used for vacation, recreation, seeking or engaging in other employment, to extend a holiday or weekend, or for concerted activities against the District.

Bereavement Leave – In the event of death in the immediate family of an employee five (5) days paid leave shall be granted. For purposes of bereavement leave, “immediate family” means the same as defined under personal necessity leave and also includes the grandmother, grandfather, or grandchild of the spouse of the employee.

For sick leave, failure of the employee to obtain the certification of a licensed physician when required shall result in the absence being charged to unpaid leave, and may be grounds for disciplinary action.

In the event that there is a concerted withdrawal of services by employees, it shall be the district’s policy to require a physician’s certification from an employee who is absent on the date of such withdrawal or services, and who applies for sick leave benefits.
