What is a Premium Reduction Plan?
Section 125 of the Internal Revenue Code allows employers to set up a Premium Reduction Plan as a benefit for employees enrolled on certain plans. With the implementation of a PRP, employees may pay for their portion of premiums (or costs on such plans) on a pretax basis. When you pay for premiums on a pretax basis, you are lowering your taxable income; therefore reducing your income taxes.

How does a Premium Reduction Plan work?
You shall be notified of the premium costs (or your contributions) under each of the eligible health/insurance plans prior to the beginning of a Plan Year. Upon completing an Enrollment Form and Salary Reduction Agreement, the company will reduce the enrolling employee’s income in equal amounts (every pay period) and place the funds in a personalized administrative account (known as a "Benefit Account"). Since the company has reduced your income (and not payroll deducted the premiums), your federal taxes should be less. As premiums become due for the group, we will utilize the funds from your Benefit Account to pay for your premiums. If there are not enough funds available in your Benefit Account, funds may be obtained through payroll deduction or receiving payment directly from the participating individual.

A savings illustration on an employee that makes $45,500 per year, claims 2 withholding allowances and elects to reduce their salary by $95 per pay period to pay for insurance premiums. The following example is based upon the 2014 Wage Withholding Tables for a married employee, claiming 2 withholding allowances.

Dental
Using your Dental benefit is easy.

- Find a provider who’s right for you. To find a provider, visit https://www.deltadentalins.com/ or call (866) 499-3001.
- At your appointment, tell them you have Delta Dental of California. There’s no ID card necessary.

**Deductible:**
- None

**Annual Maximum Per Patient Per Year:**
- $1,250-$2,250 depending on which plan you enroll in

**Dental Accident Calendar Year Maximum:** Co-payment schedule
- 100%
- Subject to a separate $1,000 annual maximum

**PPO Incentive:** Additional $250 for use at a Delta Dental Preferred Provider Option dentist.

All dental plans are elected by bargaining groups only. Coverage is not available as an individual option.

The plan pays 70% of the approved fee and will increase 10% each year to a maximum of 100% for each eligible patient that is seen by the dentist at least once during the year. The benefit percentage for Prosthodontic benefits does not change.

All benefits are calendar year (January 1 through December 31).

Children are covered until the child's 26th birthday.
If you transfer or move from one Delta Dental plan to another, you do not receive a new calendar year Maximum. The Maximum amount for Benefits paid by Delta Dental in a calendar year under both plans will not exceed the Maximum allowed under your current plan.

For example: If Delta Dental paid $500 in Benefits while you were enrolled in a previous plan and the Maximum amount of your current plan is $1000, the total amount Delta Dental will pay for your Benefits under the current plan is $500.

Group Term Life Insurance through ReliaStar

Convenient, employer-provided life insurance offering financial protection for your loved ones. TCSIG through ReliaStar Life Insurance Company, a member of the Voya Financial Family of Companies, offers six levels of life insurance and AD&D coverage.

What is Group Term Life Insurance?
Group Term Life Insurance is offered through your employer and pays a benefit to your beneficiary if you pass away during a specific period of time (known as a “term”). The term of this coverage is generally one year, renewing on an annual basis with your other employer-offered benefits.

What is Accidental Death and Dismemberment (AD&D) Insurance?
AD&D Insurance pays a benefit to you or your beneficiary, separate from the life insurance benefit, if you are severely injured or die as the result of a covered accident. This coverage is part of the Group Term Life Insurance offered through your employer.

Who is eligible for life insurance?
You—all active employees regularly working 20+ hours per week in a public entity employer group electing benefits of

- $10,000
- $25,000
- $50,000
- $100,000
- $150,000
- $200,000

Your spouse*— If your spouse is covered under the policy as an employee, then your spouse is not eligible for coverage under the spouse rider/benefit.

Your children—birth to age 26. If both you and your spouse are covered under the policy as employees, then only one, but not both, may cover the same children under the children’s rider/benefit. If the parent who is covering the children stops being insured as an employee, then the other parent may apply for children’s coverage.

*The use of “spouse” in this document means a person insured as a spouse as described in the certificate of insurance or rider. This may include domestic partners or civil union partners as defined by the group policy. Please contact your employer for more information.

What amount of coverage am I eligible for?
For you -
Your employer provides you with Basic Life Insurance of $10,000, $25,000, $50,000, $100,000, $150,000, $200,000

For your spouse*
Your employer provides you with $5,000 of Basic Life Insurance on your spouse.

For your children
Your employer provides you with $5,000 of Basic Life Insurance on your children.

What does my life insurance include?
The benefits listed below are included with your life insurance coverage.

- **Accelerated Death Benefit:** If you are diagnosed with a terminal illness with a limited life expectancy, you may receive a portion of your death benefit while still living.
- **Accidental Death and Dismemberment (AD&D) Insurance:** Pays a benefit to you or your beneficiary, separate from the life insurance benefit, if you are severely injured or die as the result of a covered accident. The proceeds can be used however you or your beneficiary would like.
- **Continuation:** If on an approved absence from work, you may continue your life insurance coverage under the employer’s group policy for a set amount of time. Premiums must be paid during this time.
- **Conversion:** You, your spouse and/or your children may convert life insurance coverage to an individual whole life insurance policy when you leave your employer or due to loss of eligibility under the employer’s group policy.
- **Waiver of Premium:** If you become unable to work due to total disability, your Basic Life Insurance can be continued without premium payment.

Will my benefits decrease as I get older?
- **For you** - Benefit amount(s) reduce to 65% of original coverage at age 65, to 45% of original coverage at age 70, to 30% of original coverage at age 75 and to 20% of original coverage at age 80 after.

Exclusions and Limitations
- There are no exclusions for Basic Life Insurance.
- AD&D Insurance has exclusions that are described in the certificate of insurance or rider.

Are there additional non-insurance services available?
- **Employee Assistance Program:** You have access to ComPsych GuidanceResources®, which provides support, resources and information for personal and work-life issues.
• Travel Assistance: When traveling more than 100 miles from home, Voya Travel Assistance offers enhanced security for your leisure and business trips. You and your dependents can take advantage of four types of services: pre-trip information, emergency personal services, medical assistance services and emergency transportation services.

For more information, please call the Voya Employee Benefits Customer Service Team at (800) 955-7736

The Spouse’s amount of insurance will reduce in the same manner as the Insured’s amount of insurance upon spouse’s attainment of reducing ages and terminates at the Insured’s retirement.

Employees terminating coverage and retirees can convert their group life to a private life insurance plan. Employees should read their Voya Life Insurance Booklet for directions and then contact TCSIG for the Life Conversion form.

Please note employer contributions for group term life insurance are tax-free for the participants up to a $50,000 limit. Group term life insurance premiums over $50,000 of coverage are taxable to the employee.

The amount that is reportable as income is determined under IRC Section 79 and under a table prepared by the IRS. For more detailed information on the plans described above, visit www.tcsig.com

Have a video visit with a doctor or therapist at home

Using LiveHealth Online, you can have a private video visit on your smartphone, tablet, or computer.

If you need care for a health issue, or support if you’re feeling anxious or having trouble coping on your own, LiveHealth Online is ready to help. You can stay home and have a video visit with board-certified doctor or licensed therapist on your smartphone, tablet or computer.

By using LiveHealth Online, you can

- **See a board-certified doctor in a few minutes with no appointment.** Doctors are available 24/7 to assess your condition and, if it’s needed, they can send a prescription to your local pharmacy. When your own doctor isn’t available, use LiveHealth Online if you have pink eye, a cold, the flu, a fever, allergies, a sinus infection or another common health condition.

- **Make an appointment with a licensed therapist in four days or less.** You can have a video visit with a therapist from home, at work or on the go — evenings and weekend appointments are available too. Appointments can be scheduled online or over the phone at 1-888-548-3432 from 7 a.m. to 7 p.m., seven days a week. You can get help for anxiety, depression, grief, panic attacks and more.

**What will a visit cost?**

Your Anthem plan includes benefits for video visits using LiveHealth Online, so you’ll just pay your share of the costs — usually $59 or less for medical doctor visits, and a 45-minute therapy session usually costs the same as an office therapy visit.

Healthcare Bluebook

Healthcare Bluebook is a FREE added healthcare benefit to help you shop for care, compare facilities, save money on healthcare services, and earn rewards. The web and mobile applications make it easy to save money on hundreds of the most common medical services and procedures by showing you the cost ranges in your area and providing you with a selection of FAIR PRICE facilities.

Bluebook’s web and mobile application make it easy to save money on hundreds of common medical services and procedures by showing you the cost ranges in your area and providing you with a selection of Fair Price™ (green) facilities.

Detailed information is also provided on the quality of common inpatient procedures (those that require a hospital stay). Healthcare Bluebook will help you to easily identify and select a facility that has a high-quality rating.

What is the “FAIR PRICE?”
The Fair Price™ is the amount you should reasonably expect to pay for a service or procedure and is based on the actual amount paid on the claim, not the billed amount, reflecting the discounts that the health plan has negotiated with the facility.

Here’s an example of dramatic price differences between one facility and another.

QUALITY

Aren’t all hospitals good at everything?
No, very few hospitals are good at all procedures. For example, a hospital can be among the highest performing facilities in the US for heart surgery, yet the same hospital can also be among the lowest performing facilities for joint replacement.

Can cheaper mean better quality? YES! Absolutely!

Providers with lower costs can have higher quality; there is no correlation between high cost and high quality. Healthcare Bluebook provides cost and quality ratings side-by-side for inpatient procedures, which is where quality matters most. By using Bluebook, it’s easy to see which facilities offer the highest quality at the lowest costs.
REWARDS
How do I earn Go Green to Get Green Rewards?
You can earn rewards by simply visiting green providers for rewards-eligible procedures. Bluebook does all of the processing; there are no additional forms to submit.
