- Additional $250 for use at a Delta Dental Preferred Provider Option dentist
- Employers may elect increased annual maximums

**Dental Accident Calendar Year Maximum:** Co-payment schedule
- 100%
- Subject to a separate $1,000 annual maximum

**PPO Incentive:** Additional $250 for use at a Delta Dental Preferred Provider Option dentist.

All dental plans are elected by bargaining groups only. Coverage is not available as an individual option.

The plan pays 70% of the approved fee and will increase 10% each year to a maximum of 100% for each eligible patient that is seen by the dentist at least once during the year. The benefit percentage for Prosthodontic benefits does not change.

All benefits are calendar year (January 1 through December 31).
Children are covered until the child's 26th birthday.

If you transfer or move from one Delta Dental plan to another, you do not receive a new calendar year Maximum. The Maximum amount for Benefits paid by Delta Dental in a calendar year under both plans will not exceed the Maximum allowed under your current plan.

For example: If Delta Dental paid $500 in Benefits while you were enrolled in a previous plan and the Maximum amount of your current plan is $1000, the total amount Delta Dental will pay for your Benefits under the current plan is $500.

Group Term Life Insurance
Group Term Life Insurance through ReliaStar

Convenient, employer-provided life insurance offering financial protection for your loved ones. TCSIG through ReliaStar Life Insurance Company, a member of the Voya Financial Family of Companies, offers six levels of life insurance and AD&D coverage.

What is Group Term Life Insurance?
Group Term Life Insurance is offered through your employer and pays a benefit to your beneficiary if you pass away during a specific period of time (known as a “term”). The term of this coverage is generally one year, renewing on an annual basis with your other employer-offered benefits.

What is Accidental Death and Dismemberment (AD&D) Insurance?
AD&D Insurance pays a benefit to you or your beneficiary, separate from the life insurance benefit, if you are severely injured or die as the result of a covered accident. This coverage is part of the Group Term Life Insurance offered through your employer.

Who is eligible for life insurance?
You—all active employees regularly working 20+ hours per week in a public entity employer group electing benefits of

- $10,000
- $25,000
- $50,000
- $100,000
- $150,000
- $200,000

Your spouse*—If your spouse is covered under the policy as an employee, then your spouse is not eligible for coverage under the spouse rider/benefit.

Your children—birth to age 26. If both you and your spouse are covered under the policy as employees, then only one, but not both, may cover the same children under the children’s rider/benefit. If the parent who is covering the children stops being insured as an employee, then the other parent may apply for children’s coverage.

*The use of “spouse” in this document means a person insured as a spouse as described in the certificate of insurance or rider. This may include domestic partners or civil union partners as defined by the group policy. Please contact your employer for more information.

What amount of coverage am I eligible for?
For you -
Your employer has chosen one of the following:
Option I - $10,000
Option II - $25,000
Option III - $50,000
Option IV - $100,000
Option V - $150,000
Option VI - $200,000

For your spouse*
Your employer provides you with $5,000 of Basic Life Insurance on your spouse.

- Accelerated Death Benefit: If you are diagnosed with a terminal illness with a limited life expectancy, you may receive a portion of your death benefit while still living.
- Accidental Death and Dismemberment (AD&D) Insurance: Pays a benefit to you or your beneficiary, separate from the life insurance benefit, if you are severely injured or die as the result of a covered accident. The proceeds can be used however you or your beneficiary would like.
- Continuation: If on an approved absence from work, you may continue your life insurance coverage under the employer's group policy for a set amount of time. Premiums must be paid during this time.
- Conversion: You, your spouse and/or your children may convert life insurance coverage to an individual whole life insurance policy when you leave your employer or due to loss of eligibility under the employer’s group policy.

Healthcare Bluebook

Healthcare Bluebook is a FREE added healthcare benefit to help you shop for care, compare facilities, save money on healthcare services, and earn rewards. The web and mobile applications make it easy to save money on hundreds of the most common medical services and procedures by showing you the cost ranges in your area and providing you with a selection of FAIR PRICE facilities.

Bluebook’s web and mobile application make it easy to save money on hundreds of common medical services and procedures by showing you the cost ranges in your area and providing you with a selection of Fair Price™ (green) facilities.

Detailed information is also provided on the quality of common inpatient procedures (those that require a hospital stay). Healthcare Bluebook will help you to easily identify and select a facility that has a high-quality rating.

What is the “FAIR PRICE?”
The Fair Price™ is the amount you should reasonably expect to pay for a service or procedure and is based on the actual amount paid on the claim, not the billed amount, reflecting the discounts that the health plan has negotiated with the facility.

Here’s an example of dramatic price differences between one facility and another.

![Knee MRI Cost Comparison](image)

**QUALITY**

Aren’t all hospitals good at everything? No, very few hospitals are good at all procedures. For example, a hospital can be among the highest performing facilities in the US for heart surgery, yet the same hospital can also be among the lowest performing facilities for joint replacement.

Can cheaper mean better quality? YES! Absolutely!

Providers with lower costs can have higher quality; there is no correlation between high cost and high quality. Healthcare Bluebook provides cost and quality ratings side-by-side for inpatient procedures,
which is where quality matters most. By using Bluebook, it’s easy to see which facilities offer the highest quality at the lowest costs.

REWARDS
How do I earn Go Green to Get Green Rewards?
You can earn rewards by simply visiting green providers for rewards-eligible procedures. Bluebook does all of the processing; there are no additional forms to submit.
