School Description

Rio Del Oro Elementary is a school committed to student safety, building relationships, and provided enriched learning opportunities for all students. Our school is located in Plumas Lake, Yuba County approximately 30 miles from Sacramento. Rio Del Oro serves approximately 500 students in grades transitional kindergarten to fifth. Our school staff works with students, parents, and community members to create a school climate that focuses on high expectations and excellence for all students.

We offer extended day for transitional kindergarten and kindergarten students which allows for high quality and deeper learning in all subject matters. In addition, students receive physical education weekly. Students also have instruction in art from August- December, and music from January-June. As well as offering various electives during the year, Rio Del Oro provides targeted instruction for all our students during a block of Universal Access (UA). This is a time during the day where instruction is delivered to the students at their level of need.

About the SARC

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

*Total Teacher Misassignments includes the number of Misassignments of Teachers of English Learners.

Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2018-19)

All students in the Plumas Elementary School District have access to their own copy of the Standards-aligned textbooks and instructional materials. The Williams Act provides an additional measure of compliance through yearly checks. All textbooks are adopted from the most recent state-approved or local governing board approved list. They are consistent with the content and cycles of the curriculum framework.

School Facility Conditions and Planned Improvements (Most Recent Year)

Rio Del Oro Elementary was opened during the 2004-2005 school year in the Plumas Lake Elementary School District. There are 24 regular classrooms, a library, a computer lab, Science lab, an art lab, a multipurpose room, and three Special Education rooms. The design capacity of the school is 725 students. As we are a Transitional Kindergarten through fifth grade, we have a variety of different playground equipment areas and facilities including a track area. We are proud of our campus and strive to keep our school in good repair so it is clean, safe, functional, and provide an orderly environment for teaching and learning. Rio Del Oro Elementary School is a newer school in excellent condition. Two full time custodians maintain a clean, manicured campus. Classroom, restrooms, and multi-purpose room are cleaned daily.

Four Yard Duty Supervisors supervise the students during lunch recess. Teachers are assigned to other recess duties. The Principal monitors the morning recess as well as the after school bus/car pick up. Fire drills are conducted monthly. Earthquake drills are paired with fire drills once per trimester. The drills help students practice safety procedures.

School Facility Good Repair Status (Most Recent Year) Year and month in which data were collected: 08/07/2018

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study

2017-18 CAASPP Results for All Students						
Subject	Percent of Students Meeting or Exceeding the State Standards (grades 3-8 and 11)					
	School		District		State	
	16-17	17-18	16-17	17-18	16-17	17-18
ELA	64.0	73.0	51.0	59.0	48.0	50.0
Math	57.0	63.0	40.0	45.0	37.0	38.0

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

CAASPP Test Results in Science for All Students						
Subject	Percent of Students Scoring at Proficient or Advanced (meeting or exceeding the state standards)					
	School		District		State	
	16-17	17-18	16-17	17-18	16-17	17-18
Science	N/A	N/A	N/A	N/A	N/A	N/A

Note: Cells with N/A values do not require data.

Note: The 2016–17 and 2017–18 data are not available. The CDE is developing a new science assessment based on the Next Generation Science Standards for California Public Schools (CA NGSS). The CAST was pilot-tested in spring 2017 and field-tested in spring 2018. The CAST will be administered operationally during the 2018–19 school year. The CAA for Science was pilot-tested for two years (i.e., 2016–17 and 2017–18) and the CAA for Science will be field-tested in 2018–19.

Note: Science test results include the CAST and the CAA for Science. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the CAST plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAA for Science divided by the total number of students who participated on both assessments.

State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8):

- Pupil outcomes in the subject area of physical education

Grade Level	2017-18 Percent of Students Meeting Fitness Standards		
	4 of 6	5 of 6	6 of 6
5	18.2	33.8	28.6

* Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

Opportunities for Parental Involvement (School Year 2018-19)

Here at Rio Del Oro, we place a huge emphasis on parent involvement. We know that parent support affects how students grow academically, socially, and emotionally. We welcome parents to volunteer during school events, with classroom projects, and they have the opportunity to volunteer as a chaperone on field trips.

In addition, our PTO (Parent Teacher Organization) is always looking for parent volunteers! The PTO sponsors the Annual Harvest Festival, Pastries with Parents, Teacher Appreciation Week, and other activities throughout the year. Many of these are community events that families participate in together. The others events are fundraisers. The proceeds from these fundraisers go back into the classroom to support students and their learning. To get involved with the Rio Del Oro PTO, go to www.facebook.com/RioDelOroPto or email them at rioptok5@gmail.com.

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

School Safety Plan

Rio Del Oro takes proactive measures to protect the safety of all our students and staff members. Staff members attend safe schools trainings each year to keep up to date on new procedures and policies. School representatives collaborate to develop and maintain plans for coping with a variety of emergency response situations. Our emergency and safety plans are regularly reviewed and updated. In addition, school personnel practice drills on a regular basis so that staff and students are prepared in the event of an emergency.

Professional Development provided for Teachers

Rio Del Oro teachers participate each Monday in professional development and collaboration through the use of early release days. These professional development days as well as grade level conferences allot time for teachers to develop and refine strategies that ensure all students academic and social/emotional needs are met. 'Non Student Attendance Days' are utilized for training in best first time instruction and academic linguistic writing for grades TK-5. Professional Development opportunities are also available to teachers in the areas of trauma, restorative practices, and ProAct.

Types of Services Funded

Rio Del Oro allocates funds to support programs that address the whole child. It is our goal that these programs assist our students in growing academically, socially and emotionally.

- Class Size Reduction
- Literacy Intervention
- English Language Development

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.
