Your eyes say a lot about you.

They can also tell a VSP® Vision Care doctor a lot about your eye health and overall wellness. Your VSP doctor can see if you have vision problems and signs of other health conditions, like diabetes and high blood pressure.

To Participate:

- To participate, you must meet the following criteria:
- U.S. citizen or documented immigrant with a Social Security number—used only to verify previous services were not received
 - Family income no more than 200% of the federal poverty guidelines for your family's size—see chart on right
 - Not enrolled in any vision insurance plan
 - Haven't received an eye exam through VSP Mobile Eyes, Sight for Students®, or another VSP charity care program during the last 12 months
