

Yuba County Mobile Dental Clinic

The Happy Toothmobile is a mobile dental clinic offering full service dentistry to Yuba County Children!

Through the joint efforts of Marysville Joint Unified School District, Peach Tree Clinic & First 5 Yuba, screenings, cleanings, sealants and restorative treatments are available at various school sites in Marysville, Olivehurst and Linda, CA. School site services lessen the time children miss school and eliminate the transportation barrier for families, as we can escort children from class for dental treatment.

***Children not enrolled in school or not attending the host school are seen by appointment.**
