Dear Parents,

With only four weeks of school left, it's important to encourage our students to finish the year in a positive way. For the remaining weeks, students will continue to receive regular homework, and much of what is taught at the end of the year, is in preparation for the child's next grade. Please continue to use Parent Portal and email to stay updated on your child's progress and current grades.

Riverside Meadows has a newly formed Parent, Teacher, Student, Association, PTSA. Membership is \$5.00 / year. Please contact Paige Milgate, PTSA president, for information on how you can get involved.

Tips for Switching to a Summer Schedule

Summer vacation, with its camp activities and summer sports, sounds idyllic to most of us. And who wouldn't want seemingly endless hours to spend with friends? But as the school year comes to an end, take some time to talk to your kids about staying safer so you can be sure the summer memories are happy ones.

Consider these tips for adjusting to a summer schedule:

- New activities may mean the start of new friendships. Just as you do during the school year, get to know your children's friends and be on the lookout for possible bullies or someone who might lead your kids to experiment with drugs or alcohol.
- If the summer schedule means a change in your day-care routine, make sure your kids still know what to do in an emergency and how to contact a trusted adult.
- You might decide to relax your rules about the amount of time your kids can watch TV or play video games, but still do your homework to make sure the shows and games are age-appropriate.

Visit PTA.org's new "[Child Safety Events: How to Get Involved](#)" page for resources on a variety of important safety

Planning and fundraising for the 2010 East Coast trip will begin this summer.

The trip is open to current 7th grade students going into the 8th grade.

Please contact Mrs. Milgate or Mr. Cruz and include your child's name if you would like to learn more.
